as educators psychologists child advocates researchers and others that support education for all students will find a positive school climate is the central element for students feeling connected and engaged at school which are necessary for positive student outcomes the psychology of school climate 2nd edition is an essential compendium of school climate research from around the world with over 600 references the book is the most comprehensive study of school climate in print the book is based on a review description and application of research that focuses on identifying basic problems and the effects social determinants have on the lives and outcomes of students and school staff members at the end of each chapter there are summaries that highlight important points for discussion and additional research most importantly the book offers the gateway to understanding the nexus of students and school climate and the importance of that bond

in a professional learning community plc teachers are organized into teams committed to meeting on a regular basis to study their teaching strategies and the effects of those strategies on the students in their classrooms the teacher teams can be of varied form and composition whatever the organizational structure the teams have one goal that is to improve teaching so that student learning is improved policy developers legislators and educational leaders have encouraged the adoption of collaborative professional learning teams as a school reform model for improving schools in this book we

describe the results of studies of professional learning communities in real schools and the effects of the teams on student learning much of the time school innovations are not examined in depth instead authors and developers simply advocate that they be used in this book school principals and administrators describe how their teachers used the plc teams to improve student learning in their schools in other words this book presents actual research on the effects of the use of plcs rather than testimonials
