the hidden history of a nation sleepwalking its way into evil charlotte beradt began having unsettling dreams after adolf hitler took power in 1933 she envisioned herself being shot at tortured and scalped surrounded by nazis in disguise and breathlessly fleeing across fields with storm troopers at her heels shaken by these nightmares and banned as a jew from working she began secretly collecting dreams from her friends and neighbors both jewish and non jewish disguising these diaries of the night in code and concealing them in the spines of books from her extensive library she smuggled them out of the country one by one available again for the first time since its publication in the 1960s this sensational book brings together this uniquely powerful dream record offering a visceral understanding of

how terror is internalized and how propaganda colonizes the imagination after beradt herself fled germany for new york she collected these dream accounts and began to trace the common symbols and themes that appeared in the collective unconscious of a traumatized nation the fear of dictatorship was ever present dreams of thought control even the prohibition of dreaming itself bore witness to the collapse of outer and inner worlds now in a haunting new translation by damion searls and with an incisive foreword by dunya mikhail the third reich of dreams provides a raw unfiltered and prophetic look inside the experience of living through hitler s terror

we all dream we all share these strange experiences that infuse our nights but we only know of those nightly adventures when we decide to represent them in the long history of coming to terms with dreams there seem to be two different ways of delineating our forays into the world of the unconscious one is the attempt of interpreting of unveiling the hidden meaning of dreams the other one is not so much concerned with the relation of dream and meaning of dream and reality it rather concentrates on trying to find means of representation for this extremely productive force that determines our sleep the essays collected in this book explore both attempts they follow debates in philosophy and psychoanalysis and they study literature theatre dance film and photography

this state of the art book provides help for therapists encountering a dream told in their group it covers the major theoretical perspectives for their understanding as well as representing different psychological schools and their approaches to the technical issues of group dream therapy

crisis presents chances for change and creativity adorno s famous dictum that writing poetry after auschwitz would be barbaric has haunted discourse on poetics but has also given rise to poetic and theoretical acts of resistance the essays in this volume discuss postwar poetics in terms of new poetological directions and territory rather than merely destruction of traditions embedded in the discourse triggered by adorno the volume s foci include the work of paul celan gottfried benn and ingeborg bachmann other german writers discussed are ilse aichinger rose auslander charlotte beradt thomas kling heiner muller and nelly sachs concrete poetry is also treated the final section offers comparative views of the poetics of european literary figures such as jean paul sartre andre malraux and danilo kis and a consideration of the aesthetics of claude lanzmann s film shoah

an examination of the literary and cinematic representations of brainwashing during the cold war era cia operative who was a tireless campaigner against communism it took hold quickly and became a means to articulate fears of totalitarian tendencies in american life david seed traces the assimilation of the notion of brainwashing into science fiction political commentary and conspiracy narratives of the cold war era he demonstrates how these works grew out of a context of political and social events and how they express the anxieties of the time the manchurian candidate seed provides new interpretations of writers such as orwell and burroughs within the history of psychological manipulation for political purposes using declassified and other documents to contextualise the material he explores the shifting view points of how brainwashing is represented changing from an external threat to american values to an internal threat against individual american liberties by the u s government will welcome this study
